McLean & Kerr LLP is a highly regarded downtown Toronto law firm. Members of its Construction Law Group have a comprehensive understanding of the construction industry allowing each to provide first-class legal services to its clients in every facet of this complex area of law including litigation and contract preparation and negotiation.
Should you find yourself in need of legal services we invite you to contact any member of the Construction Law Group as follows:
Osler’s Construction & Infrastructure Group provides leading advice on structuring, procurement, development, construction, dispute resolution, and operation of high-profile projects across Canada and internationally from our Calgary, Toronto, Montréal, Ottawa, Vancouver, and New York offices. Industry sectors include infrastructure, public-private-partnerships/AFP, oil & gas, mining, pipelines and LNG facilities, wind/solar and renewable energy, electrical transmission, health, and transportation.

We act for contractors, construction managers, subcontractors, owners, designers, lenders, and other participants in the project pyramid, and are visible and active in the industry. Many of our lawyers also have engineering backgrounds, and we assist Professional Engineers Ontario in evaluating law licensing exams for P.Eng candidates.

Our Construction Team of over 20 partners and associates is co-chaired through our Toronto and Calgary Offices as follows:
